Lions Ball Tournament At Champion, July 26 to 28

Weddings Are Solemnized

WICKSTROM-SMITH
Gladioli, carnations and ferns provided a lovely setting in the Vulcan Church of Christ, for the late afternoon wedding on Saturday, June 25th, of Betty Lou, only daughter of Mr. and Mrs. D. B. Smith of Vulcan, to Stanley Wickstrom, son of the late Mrs. Amelia Wickstrom of Calgary. Mr. Jim Chapman, minister of the Vulcan Church of Christ, officiated.

The bride, who was given in marriage by her father, entered the church to the strains of Lohengrin's Wedding March. Her gown of traditional white satin was fashioned with a full length train, fitted bodice, and lily point sleeves. The graceful lines of the full skirt were accentuated by hand-made satin loops and roses. A finger tip veil of silk net, bordered by lace, fell from a coronet of ivory satin leaves. White gardenias and pink sweet peas formed her bouquet, and she wore a single strand of pearls, gift of the groom.

Miss Bea Nowell of Calgary, attended the bride, as bridesmaid, carrying a bouquet of variegated pink carnations, complimenting her gown of pink taffeta, with which she wore a chapel veil of matching color. The smallest members of the bridal procession were little Karin and Dougie Smith, niece and nephew of the bride. Karin, acting as flower girl, was dressed in pale yellow taffeta, carrying a colonial nosegay of tinted blue carnations and yellow roses, with head-dress of similar flowers. Mr. Lloyd Wickstrom, Calgary supported his brother as best man, and Mr. Chester Wickstrom and Mr. Russell Smith acted as ushers. Mrs. Alan Smith presided at the piano, and during the signing of the register, Mr. Cecil Warden sang "The Wedding Prayer."

Following the ceremony, a reception was held at the home of the bride's parents. Receiving with the bridal couple were Mr. and Mrs. Donald Smith, and Mr. and Mrs. Pete Lundgren, uncle and aunt of the groom. For her daughter's wedding, Mrs. Smith chose an afternoon frock of evening blue printed crepe, a corsage of American Beauty roses, and navy and white accessories. Mrs. Lundgren's frock was of bluish pink sheer crepe, with white accessories, and a corsage of tea roses. Over sixty guests were entertained at the reception. Pink and white carnations and white tapers provided a lovely background for the three-tiered wedding cake, adorning the bride's table. Mr. Jim Chapman proposed the toast to the bride, to which the groom very fittingly responded.

For travelling the bride donned a suit of cherry wine gabardine, with which she wore navy and white accessories and a corsage of white gardenias. The happy couple left by motor for a trip through B.C. and the Western States, and upon their return will make their home in Calgary.

Out of town guests were: Mr. and Mrs. Pete Lundgren of Okotoks, Mr. and Mrs. Bud Freeman, Mr. and Mrs. Gerante Clifford, Mr. and Mrs. Bill Wickstrom, Messrs. Lloyd and Chester Wickstrom, Mr. and Mrs. A. Wickstrom, Mr. and Mrs. Ernest Lind and Luella, Mr. and Mrs. Eddie Cordwell, Messrs. T. N. and Chris Olsop, Mr. and Mrs. Martin King, Mr. and Mrs. Lew Douglas, Mrs. R. Elves, Mr. and Mrs. N. J. Thorson, Miss Margaret Davis—all of Calgary, Mr. Gordon Myers, and Mrs. Jim Featherston and Dougie of Edmonton, and Mr. and Mrs. Jim Phelan of Fort Nelson.

STUMPF-GOLDTHORPE
A quiet but pretty wedding of local interest took place at the Pro-Cathedral, Calgary, on July 5, when Lorraine, youngest daughter of Mr. and Mrs. J. R. Goldthorpe, became the bride of Mr. Kenneth Stumpf of Milo.

To the strains of the Wedding March, the charming bride entered the church on the arm of her father. She wore a floor length gown of white sheer, embroidered at the waist. Her fingertip veil was held in place with a silver coronet and she carried a bouquet of dark red roses. Rev. Van Burgen officiated.

The bride's only attendant was Miss Doreen Watt of Calgary, who

Eight Teams Will Compete in Third Annual Tournament

The Champion Lions Club third annual baseball tournament, with \$660.00 in prizes, will be held at Champion on July 26-27-28.

Eight teams will compete in the big event and the first day will see Champion oppose Carseland at 12:30 p.m. and Claresholm vs. Vulcan at 3 p.m. The day's final between the two winning teams will be at 5:30 p.m.

On Wednesday, July 27, the second day, Picture Butte will play Parkland at 12:30 p.m. and Brooks is drawn against Carmangay at 3 p.m. with the two winning teams playing at 5:30 p.m.

The final game, between the winners of the two play-offs, will be played on Thursday, July 28, at 5:30 p.m.

The Lions Club will operate a refreshment booth on the grounds and a dance will be held in the community hall each evening of the tournament. Net proceeds of the tournament will be used for community betterment.

wore a blue taffeta gown with blue net over the skirt. Her veil was shoulder-length and she carried a bouquet of pink carnations.

The groom was attended by the bride's brother, Mervin Goldthorpe.

Following the ceremony a reception for 30 guests was held at the Mandarin Gardens. The bride's mother wore a navy blue embroidered dress with navy accessories and corsage of white carnations. The mother of the groom was dressed in a jacket frock of navy blue with navy accessories and corsage of white carnations. The toast to the bride was given by the bride's uncle, Hirst Goldthorpe, and responded to by the groom.

For the honeymoon trip to Mission B.C. Banff and Breton, the bride changed to a white suit topped with an apple red shortie coat with white accessories. On their return Mr. and Mrs. Stumpf will reside in the Buffalo Hills district.

WARDEN - WILSON

Widespread interest claimed the recent marriage of Miss Shirley Wilson B. Sc., daughter of Mr. and Mrs. Harold Wilson of Melfort Sask., to Mr. Leslie R. Warden, son of Mrs. Grace Warden of Vulcan and Calgary.

Dr. J. Gordon Jones officiated at the late afternoon ceremony which was solemnized at First Baptist church.

The bride, who was given in marriage by her father, was lovely in a floor-length of white satin which featured a high neckline and peplum. Her veil of embroidered illusion net cascaded from a simple coronet. She carried a shower bouquet of red roses and lily-of-the-valley.

Miss Lois Wilson attended her sister as maid of honor and wore a light green off-the-shoulder frock, with side paniers. Her head-dress was of green net, sweetheart style.

Miss Jean Cruickshank shared bridesmaid honors with Miss Moira Edgington. Crowned in frocks fashioned the same as that of the maid of honor, in pastel shades of yellow and mauve, each of the three attendants carried colonial bouquets of mauve and yellow roses.

The bridegroom was attended by his brother, Mr. Robert Warden of Vulcan. The guests were ushered to their seats by Mr. Jack Brown of Acme, Mr. Alan Smith and Mr. Cecil Warden of Vulcan.

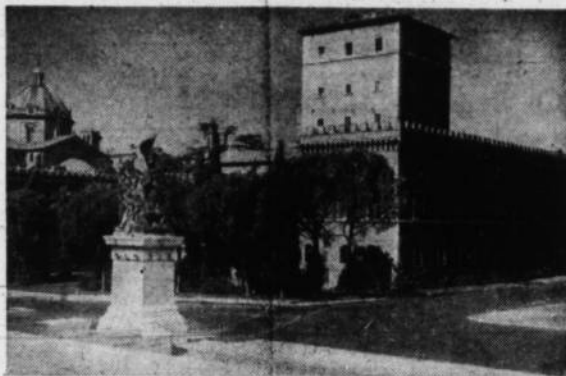

During the signing of the register Mr. Ralph Warden sang "O Promise Me" and "Because," accompanied at the organ by Miss Madge Thomas.

A reception was held later in the Sun Room of the Palliser Hotel for some ninety guests from Lacombe, Vulcan, Acme, Champion and Calgary.

Receiving with the bridal couple were the mother of the groom, who was attired in a navy blue dress with navy and white accessories, and wearing a corsage of Talisman roses; and Mr. and Mrs. Wilson, the parents of the bride. Mrs. Wilson chose for her daughter's wedding an ensemble of navy, complimented by pink accessories. Her bouquet was of pink roses.

Mr. Cecil Warden sang the "Lord's Prayer" at the beginning of the reception. He was accompanied on the piano by his sister, Mrs. N. K. Budd. The toast to the bride was

From 'Vivas' to Vaccinations . . .

Rome's centuries-old Palazzo Venezia, which not long ago housed Mussolini's offices—the well-known balcony is over the door at right—is the site of the Second World Health Assembly. The Assembly will further develop the United Nations' world-wide attack on disease through the World Health Organization (WHO).

proposed by Mr. Harry Liggett of Lacombe.

For the honeymoon trip to California the bride chose a travelling costume of moss green with champagne accessories. Her corsage was of yellow roses.

On their return Mr. and Mrs. Warden will make their home at Vulcan and Edmonton, where Mr. Warden is a student in Agriculture.

DEANS-ADAMS

The wedding vows of Robert Louis Deans, son of Mr. and Mrs. J. H. Deans of Vulcan, and Betty Jane Adams, daughter of Mr. and Mrs. J. E. Adams of Hawthorne, Cal., were solemnized in the chapel of the First Christian Church at Englewood, Cal., on June 18, with the minister, Morris Butler Book, officiating.

Given in marriage by her father, the bride wore an afternoon gown of white nylon. Her white lace hat was adorned with a large navy satin bow and she carried a colonial bouquet of white carnations with navy satin tapers.

Miss Marjorie Smith of Eugene, Ore., was the bride's maid of honor and wore a tailored dress of aqua with white accessories. Her corsage was of white carnations. Miss Betty Phillips of Hawthorne served as bridesmaid in a tailored dress of pink with white accessories. She wore a corsage of white carnations.

Stanley Michaelson of Long Island, N.Y. attended the groom and Robert Adams, brother of the bride, served as usher. The wedding music was played by Mrs. Norval Campbell and preceding the Wedding March Mrs. Richard Elstrom sang "At Dawning," "O Promise Me" and "Because."

Following the ceremony a reception was held at the bride's home in Hawthorne. Refreshments were served from a lace-covered table decorated with spring flowers and centred with a three-tiered wedding cake. Attending the guests were Mrs. Lee Boyle and Mrs. Richard Elstrom.

The groom is a graduate of the Vulcan High School and a former student of Mount Royal College.

G. Carson McKay Receives D.F.C. At Investiture

Flight Lieutenant Glen Carson McKay of Vulcan was one of the Alberta R.C.A.F. veterans who were invested with decorations for gallantry and devotion to duty at an investiture ceremony at Edmonton on Saturday, July 9.

Flight-Lieut. McKay, who was awarded the Distinguished Flying Cross in 1944, received his decoration from Lieutenant-Governor J. C. Bowen. He went overseas as a Sergeant-Pilot in 1943, was commissioned in 1944, and completed 40 operational flights as the pilot of a bomber in the Blue Nose Squadron.

F-L McKay was accompanied to Edmonton by his wife and by his mother, Mrs. A. McKay.

Of further interest to Vulcan residents was the presentation of the D.F.C. at Saturday's investiture ceremony to Flight-Lieutenant Malcolm Blake of Blairmore, whose wife is the former Miss Betty Ottewill of Vulcan.

He was graduated as an aeronautical engineer from Northrop Aeronautical Institute, Hawthorne, Cal., on June 17. The bride received her Bachelor of Science degree in Education from Bowling Green State University in Ohio and took her graduate work in Sociology at the University of Southern California.

The bride and groom left on a wedding trip to Vulcan and then to Montreal, where Robert has joined the engineering department of Canadair Ltd. as an aerodynamicist.

Out of town guests at the wedding included Mr. and Mrs. Ralph Wishard of Rancho Santa Fe, Cal., Miss Marjorie Marshall of Huntington Park, Cal.; Mrs. R. A. Osborne and Robert of Glendale, Cal.; Mrs. Paul Doyle, Mrs. Lee Boyle and daughter Charlie of Los Angeles.

Request Extension of Water - Sewer Facilities

\$25,000 More Needed To Complete Work; First Reading of By-law

At the regular meeting of the town council held Monday evening, July 11, a delegation of ratepayers residing on Vulcan Street in Blocks 18 and 19 presented a petition signed by 65 ratepayers of the town asking the council to extend the waterworks and sewer systems to afford hook-up facilities to residents of these two blocks.

Speaking for the council, Mayor W. D. Allan informed the delegation that the town had every wish to provide these facilities for all and would do the best it could in this matter. However, the town is required to borrow, if possible, and with the consent of the ratepayers, an additional \$25,000 to complete the present program of work. Under these circumstances, no definite promise could be made in regard to extending the system further than already planned, but the matter would be given every consideration.

Hotel Well and Tower
Mrs. M. Dobbs and J. Kennedy of the Imperial Hotel attended the meeting to enquire if the town would be interested in purchasing the well and tower at the hotel. The council asked Jack Davis, the resident engineer, to obtain definite information on this matter.

Health Unit Assessment
A letter from the Foothills Health Unit at High River was read, advising that an increased grant by the provincial government had made it possible to decrease the assessment. A motion was passed by the council approving the new assessment and changing the 15 cents per capita increase approved at the April meeting to 5 cents per capita increase.

Building Permits
The following applications for building permits were approved: Mrs. A. Taevers, 6x20 addition to house; \$2,000.

Mrs. E. L. Walden, Moving house in from Champion to lot 3, Block 20, \$4,000.

Mrs. Adelia Simpson, Entrance to present dwelling, \$100.

M. D. of Vulcan No. 29, New office building on Lots 8, 9 and 10, Block 2, \$10,000.

W. E. Roehuck, Garage 14x20, \$700.

By-law No. 235
First reading was given to By-law No. 235, authorizing the Council of the Town of Vulcan to incur an indebtedness of \$25,000 for the purpose of financing the completion of the work in connection with providing a water supply and distribution system.

By-law No. 236
First and second readings were given By-law No. 236, which authorizes the council to "survey, subdivide and offer for sale, with the approval of the ratepayers, Block 'R' in the Town of Vulcan." This block is the former playground and will make desirable residential lots.

Fire Report

Councillor James Shortt presented the fire report for the first six months of the year. He reported that on June 24 the sawdust in the grasshopper station back of the hotel was found to be smoldering. The secretary was instructed to write the Municipality regarding the fire and at the same time request the Municipality to take all necessary precautions to prevent children from entering these premises where poisonous material might be stored.

Mayor Allan and Councillors Morrison, Lloyd, Short and Willard were present at the meeting.

Plan Big Softball Tournament Here On Wed., Aug. 3

Plans are now under way for the holding of a big softball tournament at Vulcan on Wednesday, August 3. It is expected that 16 teams from the surrounding towns and districts will compete for a total of \$170.00 in prize money and invitations to participate in the tournament were sent out this week to outside teams.

Entries for the tournament must be in the hands of the secretary, W. Art Jones of Vulcan, by July 20, and the tournament will be limited to the first 16 teams sending in the ten dollars entry fee.

Four teams will share in the prize money, with the \$170.00 being divided: \$75.00—\$50.00—\$25.00—\$20.00.

One of Earliest Vulcan Residents, C. B. Shimp Dead

CALVIN BLAIR SHIMP

One of the first of the pioneer business men of Vulcan, Calvin Blair Shimp passed away at his home here on July 9, his 64th birthday, following a short illness.

Born at Floyd, Iowa, in 1885, he attended public and high school there. He studied at the Iowa State College at Des Moines and following his graduation entered the lumber business conducted by his father and brother at Hull, Iowa, the firm being known as William Shimp and sons.

In 1903 Mr. Shimp came to Canada and homesteaded in the Nanton district. In 1904 and 1905 he also worked for the Burns Co. putting up hay and feeding cattle.

In 1907 he was married to Miss Gertrude DeVries, but when a son was born to this union mother and baby both died.

With the establishment of a settlement at Vulcan, Mr. Shimp moved to the new community. The C. B. Shimp Land Co., one of the earliest businesses in Vulcan, was well known to the pioneers of those days and Mr. Shimp carried on a real estate and hail insurance business here until the time of his death.

Myrtle Kaiser and of this union two daughters were born. Two daughters were born.

He leaves to mourn, his wife, in Vulcan; two daughters, Mrs. Charles Dalziel of Sydney, Australia, and Mrs. Otto Bogner of Vulcan; two step-sons, William and Charles Kaiser of Spokane, Wash.; and five grand-children.

Funeral services were held at the Church of Christ, Vulcan, on Tuesday, July 21, at 3 p.m. Snodgrass Funeral Home was in charge of arrangements and interment was made in the Vulcan cemetery.

More Showers Over District

The past week has seen many parts of Vulcan district again favored with heavy showers and the general crop picture is considered good when compared with most other parts of the province.

Although only a light rain, not much more than a tenth of an inch, was recorded in town, heavy showers were reported at scattered points on Monday and Tuesday.

West, a heavy shower was reported at the F. E. Atkinson farm and other parts of the west district also received moisture. The east district, around Reid Hill and the Boyd McKay farm, received almost an inch of rain. Reports from the Berrywater district indicate scattered showers, with precipitation ranging from very little to, about three-quarters of an inch. Kirkendy received about half an inch of rain.

The best crops are those on summer-fallow and which have been dusted or sprayed to control the weeds. Some stubble crops will yield very little and even on summer-fallow yields over the district will show great variation, according to the amount of rain received.

Here Since 1915, Tony Liebfried Dies

A resident of the Vulcan district for the past 34 years, Anton Joseph (Tony) Liebfried died suddenly at his farm home on Friday, July 8. He was 64 years of age.

Born at Potosi, Wisconsin, Mr. Liebfried moved to Minnesota in 1913 and in 1915 came to Canada, settling in the Vulcan district where he had farmed ever since.

A bachelor, Mr. Liebfried is survived by two brothers, Frank of Glentana, Montana, and George of Lancaster, Wisc., and by two sisters Mrs. J. Roser of Potosi, Wisc., and Mrs. A. Croft of Lancaster, Wisc.

Requiem mass was said at St. Andrew's Catholic Church, Vulcan at 8 p.m. on Monday, July 11, and interment was made in the Vulcan cemetery on Tuesday, July 12.

Men's trousers are now made of nylon. Shower-proof, they are handy for golf, gardening, fishing.

A Question of Money . . .

This little girl is one of the lucky ones who is receiving anti-tuberculosis protection through U.N. International Children's Emergency Fund (UNICEF) in cooperation with the World Health Organization (WHO) and Scandinavian Red Cross societies. Extension of the campaign, which was to reach some 100,000,000 youngsters all over the world, is imperilled by UNICEF's lack of funds, now barely sufficient for this year's help program.

A Legislative Breakdown

The need for reforming Parliament and parliamentary procedure has been discussed at some length across Canada. But the Ottawa set-up is a model of efficiency compared with the Congress of the United States.

Sober critics of the U.S. scene are afraid that their country is approaching a legislative breakdown. By that is meant the utter failure of the Senate and House of Representatives to consider and settle issues vital to the internal and external welfare of the country.

One correspondent has computed that so far this year President Truman has asked Congress to pass about 80 important domestic measures, and that Congress itself added about 40 to the list, yet although it has sat almost continuously since the first of the year, it has actually disposed of only two foreign issues and about 10 domestic matters. And another of the more responsible American journalists says "More and more in recent years it is taken for granted that Congress just won't get

through its work. It is also assumed that in the final scramble obstructionists will stand calmly at the side like extortionate customs guards and take a heavy toll on everything they permit to go through."

The trouble seems to be that Congress is still functioning under rules set up in the ancient past, while its duties have evolved and multiplied in step with the increasing complexity of the times. Congress is supposed to do a 20th Century job with 19th Century machinery, and it just can't be done. New machinery ought to be installed, but it can only be done through the processes of the old machinery, and there again the path is blocked.

The world is looking to the United States for leadership, but that great country is in grave danger of not being able to give direction to itself.

—Calgary Albertan.

Alberta's Oil Resources

Alberta people should acquaint themselves with the resources of their own province. While most people know of these resources in a generalized way, only too many fail to acquaint themselves with detailed information.

In the case of oil and gas resources some \$2,500,000,000 wealth has been uncovered. Oil production this year will probably total 20,000,000 barrels, as compared with 7,300,000 in 1947. Alberta's proven oil reserve total about 700,000,000 barrels.

There are some eighty companies engaged in the search for oil in this province and their annual expenditures aggregate \$100,000,000. They have about 4,000 men at work.

It is possible that the future production of oil in Alberta will be sufficient to supply the greater part of Canadian requirements. If important fields are discovered in Saskatchewan there is no doubt that Canada will become self-sufficient in oil.

—Brooks Bulletin.

University News Column

V—Department of Agricultural Engineering

Engineering has influenced very greatly the development of Agriculture. The Profession of Agricultural Engineering is comparatively new. In fact, it may be looked upon as a product of this century. It has been defined as the Art and Science of Engineering applied to Agriculture. The scope of this field covers Farm Buildings, Farm Power, Farm Machinery, Farm Electrification, and in some places Soil and Water-Control and Conservation. At the University of Alberta, courses are available to Agricultural students, in Farm Buildings, Farm Machinery, and Farm Motors. A brief outline of the objectives of each course might be of interest.

The course in Farm Buildings provides an opportunity for training in draughting, elementary surveying, and the planning of farm buildings.

The Farm Machinery Course involves a study of all lines of tillage, seeding, fertilizing, harvesting and, threshing machinery. It is not practical to study the various machines without considering the kind of work each should be expected to do and how each may be able to fit into best farm practice adapted to the various sections of the Province.

The course in Farm Motors includes a study of the source and application of mechanical power on the farm, the object being to enable the student to become familiar with the fundamental principles of the internal combustion engine (valve timing, carburetors, ignition, etc.), the study of fuels, and the testing of engines on the Hydraulic Dynamometer.

Members of the department have cooperated with the Provincial Department of Agriculture in supplying assistance in judging at ploughing matches and farm machinery field days, and with short courses, and also supplied speakers at meetings of Implement dealers, Land Inspectors, and at general meetings organized by the Department of Extension, University of Alberta. Contributions have been made through the publication of such Bulletins, as Plows and Plowing, Ropework for the Farm, Binder and Knottor Troubles and real help has been given to the farmers of the Province that has resulted in financial savings in the operation of machinery in the field.

Considerable time is spent answering farmers' questions in letters and interviews on special problems on farm buildings, machinery, and power.

The field of Agricultural Engineering should be developed very rapidly in the immediate future. Farms are becoming highly mechanized and many problems are awaiting practical solutions.

The 1946 census for Alberta shows that the total valuation for the 90,000 farms in Alberta was \$58 million dollars. Nearly one-half of this valuation was in the land. The livestock were valued at 141 million dollars. The farm buildings were valued at 181 million dollars, while machinery was 163 million dollars. The total for buildings and machinery was 344 million dollars, about 250 per cent of the livestock values. The investment in buildings and machinery is steadily increasing. The 1946 figures are nearly 100 million higher than 1941, an increase of 40%. The farm requires a high investment in proper buildings and

machinery to reduce labor and increase production. The Department of Agricultural Engineering at the University of Alberta should be equipped to aid and advise farmers along these lines and the opportunity for research into Agricultural Engineering problems should be expanded as soon as possible to provide a real service to the farmers in Alberta.

NAVIES OF FOUR NATIONS UNITE FOR MANOEUVRES

British, French, Belgian and Dutch fleets are joining forces in July for manoeuvres. More than 100 warships ranging from aircraft carriers and battleships to motor torpedo boats, will assemble off the coast of Britain. When the exercises are in full swing about 22,000 seamen will be posted at action stations. These will be the first Western Union naval manoeuvres to be held.

YOUR GOOD TASTE

At this season of the year green and leafy vegetables are available and wise housewives take advantage of these excellent, health-giving foods. They form a welcome contrast with the tinned or frozen foods most of us use during the winter months. Make sure you take advantage of the fine selection of vegetables now available. Your table will reflect your good taste.

Our greatest glory is not in never falling, but in rising every time we fall.

Even if you are on the right track you will be run over if you sit there.

Carmangay

Mr. and Mrs. F. Boner and daughter left on a motor trip through the States on Sunday.

Mrs. M. Lanta and children from Grand Prairie are visitors at the home of her parents, Mr. and Mrs. E. Nowlin.

Mr. H. Rumison from San Francisco is visiting with his father-in-law, Mr. J. Williams. Larry Blair from San Francisco accompanied him.

Mr. and Mrs. P. Mooney and children from Banff are guests at the home of the latter's parents, Mr. and Mrs. E. Nowlin.

Mr. and Mrs. Axel Wennes and family left by car for Vancouver on Wednesday to visit with relatives and friends.

Mr. and Mrs. K. R. Miller were Calgary visitors on Monday attending the Stampede.

Mr. and Mrs. W. C. Burke are Calgary visitors this week.

Mr. and Mrs. K. Woods and family have left for Granum, where Mrs. Woods will teach during the coming term.

Jim Fraser took Mr. and Mrs. A. F. Wilson's household furnishings to Edmonton last week. Mr. and Mrs. Wilson, old timers of the district, will make their home in Edmonton.

Mrs. Lund and Miss Grace Lund motored to Creston, B.C., last weekend.

Mr. and Mrs. Jan Minty Jr. returned from a holiday spent at Burdett with relatives and friends.

Many families from Carmangay and district attended the Dailey Bros Circus in Lethbridge on Saturday.

Mrs. G. Rosenkranz and daughter Leona were Calgary visitors last week.

Mr. and Mrs. F. E. Sibley had as their guest over the weekend, their daughter Lois, who is attending Garbutt's College in Calgary. Mr. Sibley is the new agent at the C.P.R. Station and came from Fleet, Alberta.

Mr. and Mrs. Jim Henderson and sons from Nanaimo, B.C., are spending their holidays visiting with relatives and friends throughout the district.

Don Pickett from Taber is relieving at the Beaver Lumber Yard while Mr. and Mrs. Bignell are away on their holidays.

Members of the Lions Club attended the United Church in a body on Sunday and carried on with part of the services.

The West Country Women's Club met with Mrs. Rob Clarke on Wednesday. Only seven members were present due to so much sickness in the district. A general discussion was held instead of the regular meeting. Mrs. Rosella Hubka won the hostess raffle. The assistant hostess was Mrs. Vivian McFarland. It was decided to call all meetings off for at least a month due to the measles epidemic. A delicious lunch was served by the hostess.

Mr. and Mrs. Lynn Milliken and family and Mr. and Mrs. Johnnie Hauser and family left on Monday on an extended motor trip through the States. They will motor through Glacier Park and to points on the West Coast.

Miss Betty Fraser, Miss June Volk and Mr. Cliff Fraser were visitors in Coleman over the weekend.

Mr. and Mrs. Walter Soderquist and family were visitors in Iron Springs over Sunday.

Mr. and Mrs. J. C. Jensen from Czar, are guests at the home of the former's parents Mr. and Mrs. W. Jensen.

Mr. and Mrs. Alec McMillan returned from a visit to Calgary. They were accompanied by Mrs. John McLellan and Mrs. Lorne Knox.

The C.G.I.T. group met on Wednesday afternoon and packed seventy-five pounds of used clothing which is to be sent to Europe for the needy. They will not meet again until after the holidays.

Donnie Miller, Timothy Epton and Brian Lee returned from a week's holiday spent at the Boys Camp at Waterton.

Carlton Burke left on Monday for Banff to attend the Fine Arts School held there each summer.

The North Priscilla Club met with Mrs. A. Dahl on Wednesday afternoon. The ladies came dressed as gentlemen, if not, they paid a fine. Roll call was a favorite salad recipe. A report was given on the Cancer Drive, but as all returns were not in a definite amount could not be given. Plans were made to hold a Community Picnic on July 31st at Park Lake. Mrs. A. H. Frank was in charge of the program with Mrs. F. Hauser and Mrs. Helen Watson winning the contests. Mrs. Connie Stettin demonstrated shellcraft. Mrs. Alec Hauser won the raffle. A delicious lunch was served. The next meeting is to be held at the home of Mrs. Helen Watson.

Mr. and Mrs. Axel Wennes and daughter Margaret were Lethbridge visitors on Monday.

On Friday afternoon about thirty ladies gathered at the home of Mrs. Alvin Anderson to honor Mrs. Tom Hovde. Mrs. Rena Burns gave contests which were won by Mrs. O. Snyder and Mrs. Mary Rudd. Community Singing with Mrs. Laura Owsley at the piano took up some of the time. Then Mrs. Hovde was presented with a set of Silverware. Mrs. Hovde graciously thanked her friends. A pleasant afternoon was brought to a close by serving a dainty lunch.

Mrs. Jonas Untinen was a guest at the home of her son and daughter-in-law last week.

Mr. and Mrs. Axel Wennes and family and Mr. and Mrs. Clarence Anderson and family were Sunday guests at the home of Mr. and Mrs. H. Leavitt of Leavitt.

BABY'S SUNBATHING

Judicious amounts of July sunlight are fine for the baby, but during his sunbaths the infant's eyes should be protected from the direct rays of the sun until he can move himself about easily. Placing him with his feet pointing away from the sun permits his brows and upper lids to shield his eyes. The hood of the carriage should be lined with dull material, preferably dark.

There are 38 textile plants in Canada producing full-fashioned hosiery.

WITH THE District Agriculturist PETER JAMIESON

SOIL CONSERVATION—

Part Four
The solution to actual soil conservation is not easy. At the moment we have local areas practising methods that they have found improving their chances of retaining the soil. However, we will one day have an overall Canadian conservation policy. This is still in the making. Read what the Professor has to say further—

"PUTTING SOIL CONSERVATION INTO ACTION"

The ultimate job of getting better soil conservation practices into effect on our agricultural soils must be done by the owners and the tenants of the farm themselves. Thus the individual farm is the most important unit with which we must work in planning for a soil conservation program, and no general formula can be written to fit the needs of all the 75,000 farms across Canada.

To encourage farmers to undertake integrated scientific soil conservation programs on their farms means that an adequate technical service for surveying, planning, planning, and directing the initiation of the conservation plan should be provided. This has been done, for instance, in connection with farm drainage surveys for 40 years. Perhaps the best method would be to put farm drainage surveys and soil conservation surveys together under one direction, and to staff this service with qualified soils and drainage specialists and soil conservationists.

The Department of Agriculture in Ottawa has in its extension services the ready-made machinery for undertaking local community township, and country education programs. The agricultural colleges and experimental stations have the laboratory facilities, or can provide them, for the soil testing service which should be an important feature of the plan. Proper organization of these forces would allow soil conservation advisers to go right out onto the farm in personal contact with the farmer where his problems can be dealt with at first hand.

In some areas organizational plans of this type have been developed. The most recent group to consider the problem has been the Ontario Crop Improvement Association. In a meeting in Toronto in February, this organization decided to organize and give leadership to country soil conservation programs which are practical and within the scope and means of the average farmer.

Other Canadian organizations are stressing the need for concerted action. In an address to the to the Canadian Federation of Agriculture in Saskatoon in January Dr. R. D. Sinclair of Edmonton, President of the Agricultural Institute of Canada, called upon the government to institute a program for the conservation of Canada's land and water resources since the wastage was now becoming a menace not only to the farmer but the whole national economy.

The Agricultural Institute recommended a basic plan of action which had already been presented to both federal and provincial authorities. It proposed the immediate establishment of a national policy on soil and water conservation and land use and the passage of necessary federal legislation. A rational council established on a joint federal and provincial basis, working with the federal co-ordinator, would be given powers to implement programs across Canada, in accordance with the need.

Among the points stressed by the Institute were the continuation and expansion of self-help plans for the individual farms which have proven to be economically sound.

It can be clearly seen that if soil conservation is to accomplish its objective—the general improvement of the productivity of Canadian soils proper attention to individual farms is a fundamental necessity."

PAINTING POINTERS

Painting is often a hazardous occupation, as anyone who has seen painters suspended high in the air on a bridge or building can attest. But another danger to painters is toxic vapors that frequently rise from lead paints in confined spaces. Spray painting is especially dangerous in this regard and painters should always be equipped with suitable safety devices. Provincial health departments can supply information on safe painting practices in industry.

T B CAN BE CURED

Medical records show that nine out of ten persons suffering from tuberculosis, whose infections have been discovered early recover from the disease. And some experts estimate that if all cases of TB could be caught in their early stages, the disease could be wiped out completely in 10 years. TB is slow to cure but it is curable and it is preventable. Guard against the danger of TB. Have a chest x-ray as soon as possible.

Tractor Accidents Rank High on Farm

Tractors account for 28 per cent of farm machinery accidents in the United States according to official figures; and most often it is while cranking the tractor that farmers get sprained or broken wrists or arms. Next most frequently reported are accidents that happen while attaching other implements to tractors that tip over or rear, and jumping or falling off tractors.

Combines and threshing machines account for about a third as many accidents as tractors, and corn pickers and corn shellers account for six per cent of machine accidents. Home machinery used chiefly by women accounts for only three per cent of all machinery accidents.

Though these figures apply to farms in the United States there is no reason to assume that machinery accidents are less frequent in Canada. More careful handling of farm and home machinery will prevent many aches and pains, or accidents of a more serious nature.

"SHOP AT HOME"

Carmangay merchants endeavor to give their customers the best in shopping satisfaction, and district residents are becoming more and more conscious of the benefits of shopping in their own community. "Shop at Home" is an invitation to Carmangay and district residents to take advantage of the excellent service offered by their own merchants. Try them first for your needs—they appreciate your patronage.

J. A. Hubka Farm Equipment

A knowledge of machinery, a sympathetic understanding of the farmer's problems, and an adequate supply of repairs in season are three requirements most appreciated by farmers in their dealings with a machine agent. All these are very much in evidence when you do business with J. A. Hubka in his new modern premises, conveniently located in Carmangay.

Mr. Hubka is the sales and service dealer for Massey-Harris Farm Machinery. He took over his business from H. S. Parker in 1945, and recently rebuilt and modernized his premises. His motto has been, Service, Courtesy and Satisfaction, a motto which he has translated into everyday practice.

In planning his premises Mr. Hubka has provided ample space for show rooms, and a repair shop, which is evidence of his foresight and progressiveness.

Here also, one may purchase a complete line of Imperial Oil Products, Firestone and Atlas Tires, and many auto parts and accessories.

In addition to expanding his business, Mr. Hubka has taken an active part in community affairs and is always ready to lend a helping hand in any project which is for community betterment and progress.

Champion

At the four-day tournament held at Brooks last week, the Champion baseball club participated. Their first game on Sunday was against the Brooks Dodgers. Bud Siler's superb pitching, allowing only two hits, won a two to nothing victory for Champion. Their next game was Tuesday when Champion, with Siler pitching, defeated Carmangay by a ten to nothing score. The final day, Wednesday, Champion's opponents were the Eckville nine. "Bud" pitched until the sixth inning, when his hand gave out. Eckville were the winners by a six to one score. They also went on to win the tournament. Worthy of mention was the outstanding pitching of Siler. Until forced to retire, he had struck out 34 men during the tournament and had pitched six consecutive games in a little more than a week a remarkable feat for any pitcher.

Mrs. G. Orr, L. Latiff, E. Fraser and the Misses Gloria and Carol Fraser and Leora Maxwell, were Lethbridge visitors on Thursday.

Mr. and Mrs. Vic Ferguson and children, Janice and Leslie of Ponoka, Alta. are spending two weeks at the home of the former's parents, Mr. and Mrs. Adam Ferguson.

Mr. and Mrs. R. W. Racher are the proud parents of a 7 lb. 1 oz. baby daughter (Amanda Joy) born in the Vulcan Hospital, July 5. Congratulations.

Mr. and Mrs. Norman Carlson and son Everett, accompanied by Mrs. Carlson's mother, Mrs. L. Powell, are spending a short holiday at points in B. C.

Mr. and Mrs. A. Mahoney have as their guests, the latter's brother and wife, Mr. and Mrs. G. Fletcher of Calgary.

Mr. and Mrs. A. Mahoney and family were recent visitors in Calgary, guests at the home of the latter's brother and sister-in-law, Mr. and Mrs. G. Fletcher.

A large crowd of baseball fans from town and district attended the baseball tournament held in Brooks last week.

Bud Siler, Harry and Mervyn Smith left Saturday on a fishing trip.

Neil Dillingham of Calgary was a recent visitor at the home of Mr. and Mrs. A. Ulrich.

Mr. and Mrs. Harold McKie and Mr. and Mrs. Edgar Dunbar and children, Arlene and Harry of Vancouver, renewed acquaintances in town and district last week. Mrs. McKie and Mrs. Dunbar are the former Van Beisan sisters.

Mr. and Mrs. W. Schafer and children, Roberta and Winfield left by car and will visit with friend and relatives at Lomond, Bassano and Cluny.

Harry Higgins has just returned from a vacation spent with relatives in Missouri, Iowa and Illinois. Mr. and Mrs. W. R. McRae of Calgary are visitors at the home of Mr. and Mrs. Clyde Coe.

Mrs. L. Engleking accompanied her son in law and daughter, Mr. and Mrs. C. Harum of Rosemary who left by motor for an extended visit in Minnesota.

Mr. and Mrs. A. Saudino and daughter, Diana, of Drumheller, will spend a short time visiting at the homes of Mr. and Mrs. Fontana and Mrs. Jackson.

Mr. and Mrs. Richard Black left on a motor trip to Banff and Jasper.

Mr. and Mrs. F. Clever are visiting in Calgary for a week.

H. Lebsack was a visitor in Midnapore at the R. Gerlitz home for a few days.

Mr. and Mrs. H. Frame are spending a week at Kimberley, B. C. at the home of their son and daughter-in-law, Mr. and Mrs. Alex Frame.

W. E. Schafer was a recent business visitor in Calgary.

Mr. and Mrs. C. Collison and family of Ensign were Sunday visitors at the home of the latter's parents, Mr. and Mrs. P. Larkins.

Mrs. H. W. Marshman, Mr. and Mrs. E. Mueller and Mrs. R. Sailer were recent visitors in Calgary.

Mr. and Mrs. E. Ford and daughter of Lethbridge are visiting at the home of the latter's sister, Mrs. Virgil Stout and Mr. Stout.

G. Repp of Calgary is visiting at the home of Mr. and Mrs. H. Lebsack.

Mrs. T. B. Siler, Mrs. P. Patterson, Mrs. H. E. Smith and Mrs. L. Burke of Carmangay were Calgary visitors on Saturday and attended funeral rites for W. Wickstrom.

Mr. and Mrs. D. Causey and daughter LaRee are visiting with the former's mother, Mrs. T. Causey, Lethbridge, and with friends in Taber for a few days.

Mrs. Jessie Adams accompanied her daughter, Mrs. W. Adams of Los Angeles, to Calgary, where they will attend the Stampede.

Mr. and Mrs. J. Causey of Vancouver are visiting at the home of the former's brother and sister-in-law, Mr. and Mrs. D. Causey.

A. Baker, E. Nowlin, W. Harris and J. Hunzinger returned on Saturday from the summer bonspiel which they attended at Nelson, B.C. Although they did not capture any prizes, they report a very enjoyable time.

The Felicity Club held their annual picnic on July 6 at Park Lake, with a good attendance. A picnic dinner was served at 12 o'clock after which baseball and races were the highlights of the day. Supper was served before the picknickers returned home.

Mr. and Mrs. H. A. Bjornson returned home from Minnesota where they visited for several weeks. They were accompanied on their return by the latter's brother and wife, Mr. and Mrs. Fred Dakey, who will visit here for a short time.

Mr. and Mrs. Walter Griffin were Calgary visitors on Wednesday of last week.

Mr. and Mrs. J. E. Ellis and small daughter are on a motor trip to Banff and Jasper.

Mr. and Mrs. J. A. Long left on a motor trip to be spent in the Southern States.

Mr. and Mrs. H. A. Bjornson, accompanied by their house guests, Mr. and Mrs. F. Daley, spent a few days in Banff last week.

Mr. E. House and Mrs. L. Engleking visited with Mrs. House at the A-7 Home Ranch, Nanton, on Sunday.

Mrs. E. Fortney of Viroqua, Wisconsin, is visiting with her uncle and aunt, Mr. and Mrs. F. Wise, and other relatives in the district.

Mrs. A. Dienert and daughter, Ethel, are visiting in Calgary this week.

Mrs. A. Ferguson left on a month's vacation to be spent with relatives at Oslo, Minnesota. While in Oslo she will attend a family re-union.

Mr. and Mrs. Max Groves were business visitors in Calgary on Thursday of last week.

Schmidt-Hilz

June 23 was the day chose by Elsie Ethel Hilz, second daughter of Henry Hilz of Champion, for her marriage to Siegfried Schmidt, son of Mr. and Mrs. Gus Schmidt

of Wapella, Sask. The wedding took place at the Evangelical United Brethren Church, Rev. Vorath officiating.

The bride entered the church on the arm of her father, wearing a white satin-train-length gown with lace peplum and drapes down the sides. Her long veil misted from a gathered halo headress. She carried a bouquet of American Beauty roses and wore a double strand necklace of pearls. The bridesmaid Miss Irene Hilz, sister of the bride, chose a blue sheer floor length gown and Miss Miriam Sukut of Medicine Hat wore a light rose floor length gown. They carried bouquets of white and pink carnations.

The groom was attended by Leonard Huff, Winnipeg, Man., and Wally Barowski from Morris, Manitoba.

The ushers were Bill Hilz and Stanley Munton.

While signing the register, Miss Betty Hilz, Vulcan, (cousin of the bride) sang "Oh Perfect Wedding Day."

Following the ceremony a reception was held at the home of the bride's parents, when 75 guests attended. The bride's table was centred with a three-tiered wed-

ding cake. The room and tables were decorated with bouquets of peonies.

Mr. and Mrs. Schmidt left for Lethbridge and points in Saskatchewan for their honeymoon.

For going away the bride wore a brown gabardine suit with white accessories. They will make their home at Wapella, Sask. until fall after which they will re-enter Hillcrest Christian College in Medicine Hat, where they will graduate in the spring.

CARD OF THANKS

To all our friends of Champion and district we wish to express our appreciation for your kindness and good wishes, for the farewell party tendered us, the beautiful gifts and other expressions of friendship.

—Mr. and Mrs. Fred Watts and family.

Mark & Company General Store

It has been truly said that the best advertising is that obtained through giving satisfaction to the people served, and Mark and Company General Store in Champion, has always endeavored to please its customers by securing for them the best possible products available at the most reasonable prices.

This firm has a long background of service to the community behind them, being established in 1906 by Mr. G. H. Mark. In November, 1938, the business was taken over by his son, Mr. J. A. Mark, who still operates the business. Mr. Mark is a local man in the true sense of the word, being born and raised in this community. He is well-known in the district, having taught school for several years around Vulcan.

Mark and Company is one of the vital elements in prosperity in Champion. They aim to give the best in service and quality at all times. When you are tempted to spend your money where it will be sent away to develop distant cities, just consider that money spent away from home makes your own property less valuable.

At Mark and Company the stock is complete. If it can be had at all you will find it at this popular store.

Everyone is cordially invited to drop in and get acquainted, whether buying or only shopping. At your first opportunity visit this store and see the large range of merchandise.
